

Free Dry Needling Study Group:

We understand how hard it is to juggle work and study, so we want to make it easy to breeze through the practical & pass the test with flying colours.

You're welcome to join the weekly 30-minute Skype Study Sessions.

No pressure, you can come and go as you please. The more sessions you attend, the more confident you'll become.

Here are the Benefits:

- Find out the 'GOOD to know vs the MUST know' information.
- Get comfortable with the language of Dry Needling Therapy.
- Make sense of the Anatomical terms you'll need to remember, like the names of muscles, directions of needling & all the caution points.
- Review everything we cover on the Skype Call by watching it all again in your own time.
- We record every session and send you a link.
- Ask as many 'silly' questions as you like (although no question is really a 'silly' question)

Don't wait until the Practical Course to find out what you don't know.

Stop stressing & start learning the easy way now.

We're here to help you achieve your goal of successfully completing your Dry Needling training, so please don't hesitate to contact me on 0421 997 129 should you require any assistance with your theory training.
